RE: Requirement of Decree on Child Protection Session and Fingerprinting

The Archdiocese Decree on Child Protection is one way of helping to provide a safe environment for our children. The Program includes participation in a **MANDATORY CHILD PROTECTION SESSION AND FINGERPRINTING**. **All adults** over the age of 18 who participate in any interactive activity with our children must participate. **ALL active volunteers must have their finger prints redone every five years**. No volunteer or employee may work with our children until they have complied with the above program.

The Orientation Sessions and Fingerprinting times are listed below. **The Orientation Sessions last approximately one hour**. Special arrangements and times will be made for large groups by calling the Office of Religious Education. **Those interested in attending anyone of the times listed below please RSVP to 237-3516.**

Coordinators it is your responsibility to certify to me that all your new program volunteers have attended by providing me with a list of their names. Please have your volunteers register by phone, email or fax giving their full name, the date of the session they plan to attend, telephone number and name of program in which they volunteer. If you find that you have a large number of individuals who require the program I can schedule a time convenient for a specific group. I await your reply.

If you have any questions call the parish Office of Religious Education at 237-3516.
