OUR PHILOSOPHY

“You are Peter and upon this rock I will build my Church.” (Matthew 16:18)

We at St. Peter Catholic School believe in the teachings of the Catholic Church. We are committed to practicing these teachings as we face the challenges of the 21st century.

We believe that all people possess innate worth and unique abilities and are capable of learning.

We believe in providing a well-qualified faculty and staff who will implement a variety of educational approaches to support learning within a safe environment.

We believe in promoting cultural awareness.

We believe in promoting respect, reverence, responsibility, and service.

We believe in a working partnership with parents, school, family, church, and community.

This is the foundation upon which we build St. Peter School.
