

Movie Day at Latchkey!

Friday afternoons are movie day in the Latchkey Program. Many of the children in the past requested to watch movies with a P.G. rating. Realizing that movies with this rating can be for a wide variety of reasons, we rent movies that are in line with the School values. Please fill out the form below if your child is permitted to P.G. movies.

*I give permission for my child _____
To watch P.G. movies while attending the Latchkey
